ABOUT ME

From the moment I wrote my first line of code, I was hooked. I once read that applications are just a bunch of small components put together and I like to challenge myself by building small components in order to apply the knowledge that I'm learning.

SKILLS

- JavaScript (ES6)
- Python
- React.js
- Cypress
- HTML5
- CSS3
- SCSS / SASS
- Git (GitHub, BitBucket, GitLab)
- Jira
